

Double Your Power — Upgrade Your Ekko

Twice the power. Twice the freedom. Twice the fun.

Ready to take your EKKO off the beaten path—and stay there? Add a second Lithionics 12V 320Ah battery and upgrade your entire off-grid experience. With a straightforward upgrade, your EKKO becomes a power-packed home on wheels, ready to keep you cool, connected, and off the grid longer than ever.

MORE POWER, MORE POSSIBILITIES

Extended Runtime

Enjoy A/C runtime and full system use for longer

Power Everything

Cook, charge, and relax with confidence

More Time Off-Grid

Stretch your adventure longer, no shore power needed

Compact Power

Fits perfectly into your van to deliver serious energy

Easy Install, Expert Support

Upgrading couldn't be easier. It's a simple, no-stress upgrade. The second 12V 320Ah battery fits next to your factory-installed one, no redesigns needed.
