

Double Your Power — Upgrade Your Revel

Twice the Power. Twice the Freedom. Twice the Fun.

Take your Winnebago Revel off the beaten path and stay there! Add a second Lithionics battery and upgrade your entire off-grid experience. With this upgrade, your Revel becomes a power-packed home on wheels, ready to keep you cool, connected, and off the grid longer than ever.

MORE POWER, MORE POSSIBILITIES

Extended Runtime

Enjoy A/C runtime and full system use for longer

Power Everything

Cook, charge, and relax with confidence

More Time Off-Grid

Stretch your adventure longer, no shore power needed

Compact Power

Fits perfectly into your van to deliver serious energy
